I. INTRODUCTION

BRIEF ON HISTORY OF LLBSUK,

Learn To Live Business School (LLBS) is a Global Community of Certified Management Consultants (CMCs) and Business Doctors—experts in Strategic Management, Leadership Development, and Business Administration—brought together from diverse Professional backgrounds.

LLBS is where seasoned Professionals refine their skills, share knowledge, and collaborate to deliver solutions that shape the future of business on a global scale.

At LLBS, we groom experienced, forward-thinking professionals who are ready to drive change and deliver timeless solutions with meaningful, global impact. Develop leaders who inspire progress, build resilient organizations, and set new standards of excellence in their fields using the LLBS TMLC Model.

The LLBS TMLC Model—a framework of Technology, Management, Leadership, and Consulting—is the foundation of our approach, preparing LLBS members to thrive in the global marketplace:

Technology: We equip members with advanced digital skills and strategies to lead in an increasingly tech-driven world.

Management: Our program fosters exceptional managerial abilities, empowering professionals to build and lead efficient, adaptive organizations.

Leadership: LLBS emphasizes visionary, ethical leadership, inspiring our members to drive meaningful change across industries.

Consulting: With a strong focus on consulting skills, our members learn to identify challenges and deliver solutions that create lasting impact.

Learn To Live Business School (LLBS) is a Strategic Management and Leadership Development Institution.

An Innovation Enterprise Institution (IEI) established and registered with Corporate Affairs Commission of Nigeria (CAC) in 2012 as a Consulting Firm and in 2016 as a Business School. Established and registered in London United Kingdom UK Gazette NO.11834639 in 2019.
